

## 3.2V 280Ah Lifepo4 Battery Cell 105AH 120Ah 130Ah 135Ah 150AH 160AH 50AH Grade A Deep Cycle

### Our Product Introduction

for more products please visit us on [enookbattery.com](http://enookbattery.com)

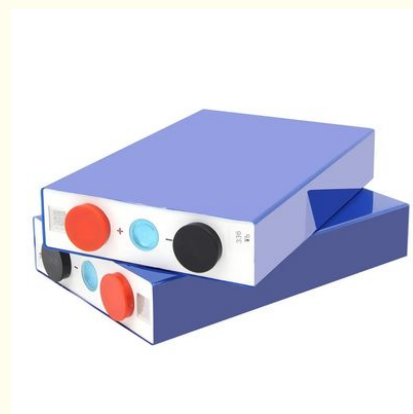

#### Basic Information

- Place of Origin: china
- Brand Name: EVE
- Certification: CE ROHS FCC UN38 .3 MSDS
- Model Number: 3.2V Lifepo4 Lithium Ion Battery
- Minimum Order Quantity: 4
- Supply Ability: 10000

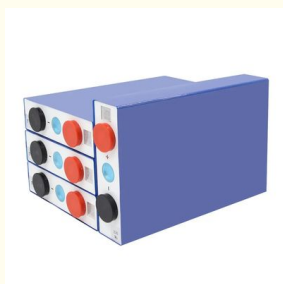

#### Product Specification

- Storage Temperature: 0 ~35
- Capacity: 280ah 105ah 200ah 304ah 50ah 173ah
- Battery Type: 3.2V 280Ah Lifepo4 Battery
- Feature: Deep Cycle Lifepo4 Battery Cell
- Charging Temperature: 0 ~65
- Application: Energy Storage, UPS, RV, Communication, Golf Cart, E-bike, Etc
- Discharging Temperature: -35 ~65
- Highlight: 3.2V 280Ah Lifepo4 Battery Cell,  
160Ah Lifepo4 Battery Cell,  
135Ah Lifepo4 Battery Cell

## Product Description

## Product Description:

This battery is perfect for use in a variety of applications, but it is particularly suitable for use in Hailong electric bike batteries. With its high capacity and long lifespan, this battery is a popular choice for those who rely on their electric bikes for transportation. It's also a great option for those who want to upgrade their current Hailong electric bike battery to a higher voltage or capacity.

One of the standout features of this battery is its ability to operate in a wide range of temperatures. It can be stored in temperatures ranging from 0 to 35 , making it a reliable option for use in a variety of climates.

Whether you're looking for a replacement Hailong electric bike battery or a 60v battery pack for another application, the LifePo4 Lithium Ion Battery from EVE is a top choice. With its high-quality construction and reliable performance, this battery is sure to meet your needs and exceed your expectations.

### Product Parameters

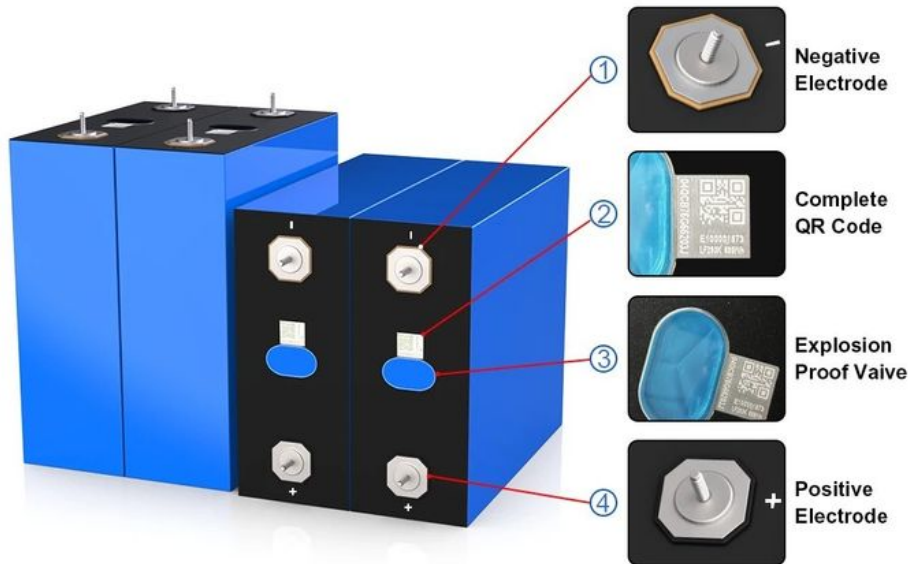

Model	<b>LF280K</b>	Dimension (L*W*H)	<b>174*208*72MM</b>
Nominal Voltage	<b>3.2V</b>	Nominal Capacity	<b>280AH</b>
Impedance	<b>≤0.25mΩ</b>	Cell Weight	<b>5.42Kg</b>
Discharge Temperature	<b>-20~55℃</b>	Cycle Life	<b>8000 Times</b>
Discharge Cut-off Voltage	<b>2.5V</b>	Charging Cut-off Voltage	<b>3.65V</b>

### Technical Parameters:

Package:	OEM
Charging Temperature:	0 ~65
OEM/ODM:	Yes(Accepted)
Shape:	Prismatic Pack
Battery Type:	3.2V 280Ah Lifepo4 Battery
Weight:	1920±100G
BMS system:	Customized
Brand Name:	EVE
Capacity:	280ah 105ah 200ah 304ah 50ah 173ah
Application:	Energy Storage, UPS, RV, Communication, Golf Cart, E-bike, Etc

This Hailong electric bike battery is a lithium E-bike battery that is suitable for electric bike/mountain bike/motorcycle/bicycle. It is also customized to meet specific needs.

# 100% Brand New 280Ah 3.2V LiFePO4 Battery

## Support and Services:

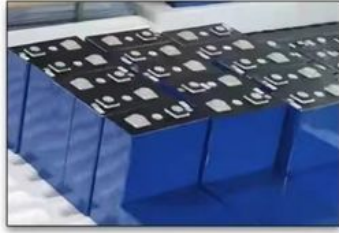

The LifePo4 Lithium Ion Battery is a high-performance, long-lasting rechargeable battery that is designed to provide reliable power for a variety of applications. Our product technical support and services include:

- Detailed product information and specifications
- Installation and usage guidance
- Troubleshooting and problem-solving assistance
- Warranty and repair services
- Technical training and support for OEMs and distributors

Our team of experienced technicians and engineers is dedicated to providing exceptional technical support and services to ensure that our customers get the most out of their LifePo4 Lithium Ion Battery. Contact us today to learn more.

# Large Stock

## Packing and Shipping:

### Product Packaging:

One LifePo4 Lithium Ion Battery

Protective plastic wrap

Instruction manual

### Shipping:

Product will be shipped within 1-2 business days of order confirmation

Product will be shipped via standard ground shipping

Tracking information will be provided once product has shipped

International shipping may incur additional fees

## TEWAYCELL PROTECTION OF LIFEPO4 BATTERY PACKAGING

**We can pack one LifePO4 cell in one foam box or four LifePO4 cells in one foam box under the premise of safe transportation according to customer requirements.**

### FAQ:

Here are some frequently asked questions about enook's 3.2V LifePO4 Lithium Ion Battery:

Q: What is the brand name of this battery?

A: The brand name of this battery is enook.

Q: What is the model number of this battery?

A: The model number of this battery is 3.2V LifePO4 Lithium Ion Battery.

Q: Where is this battery produced?

A: This battery is produced in China.

Q: What certifications does this battery have?

A: This battery has the following certifications: CE, ROHS, FCC, UN38.3, and MSDS.

Q: What is the minimum order quantity for this battery?

A: The minimum order quantity for this battery is 4.

Q: What is the supply ability of this battery?

A: The supply ability of this battery is 10,000.
